

Announcement

OPEN TO: ALL TELECOMMUNICATIONS COMPANIES.

OPENING DATE: AUGUST 25, 2016

CLOSING DATE: SEPTEMBER 03, 2016

The U.S. Consulate General in Hermosillo is looking for reliable contractors/companies which can provide Network Upgrade Service using CAT 6 cable and fiber optics.

The purpose of this firm fixed price contract is to obtain engineering services to upgrade Ethernet Network infrastructure, using CAT 6 Ethernet cables, laying new fiber backbone runs, as well as installing patch panels and switches; all this in compliance to the Department of State/Information Resource Management Office technical specifications.

For more details on the job to be performed, please read PART II of Scope of Work section, "work requirements" of the attached document named RFQ SMX57016-Q-0003 Network Infrastructure Upgrade.

A site visit is scheduled on September 02 2016 at 9:00 A.M., for all interested bidders to inspect the site, take all necessary measurements, and observe the existing conditions in order to prepare an accurate bid.

Bid presentation date will be September 09, 2016, no later than 3:00 P.M.

Interested contractors for this competition must contact:
